

Final Exam is worth 75 points.

About 25 points of these are from Topics 1-10 (material of Exams 1 and 2).

About 50 of these points are from new material of the following topics:

Topic 11 (Hormones & Tropisms), Topic 12 (Photosynthesis), Topic 13 (Notes on Arboriculture), and Topic 14 (Plant Secondary Products). Please see the supplemental Powerpoints on the web for Topics 12 and 14.
